

The *Greek Movie Days* is a yearly event organized by the Swedish institute at Athens, the Greek Film Centre as well as the Greek House of Culture and the Greek School in Stockholm. The event is organized under the auspices of the Greek Embassy in Stockholm with the object of highlighting new and exciting Greek movies.

As a result of the current pandemic, this year's event will take place on the web at drakenfilm.se, the leading streaming service for quality film in Sweden. The films will premiere on the 22d, 29th of November and on the 6th of December.

By purchasing a digital passport for the festival, at the cost of 69 SEK, you will get the opportunity of streaming the movies for a limited time. Don't miss this chance to lighten up the fall with colourful images of the Mediterranean!
